

Dr. Alka Singh

The birds are gone

Green parrots on the cloth line
it shows shining ...
The work force
made that shining
in the semi finished apartments.

The birds are gone
the migratory selves .
and so they chat
these green selves .

Muffled the move

Romisha called
this late afternoon ,
the movements are halt
and muffled are the move.

The unlock ...
yet the labourers stalked.

Work from home
and work at home .
“I will manage to come!”,
Declares Romisha,
so suited the interests ,
perhaps of the snoop.
