

## **Three Poems by Dr Prashanta Chandra Panda**

### **Human: a Cleric and a Poor Constitution**

Two met in a debate  
Two sat for a debate  
To find out that God,  
To weed out from Gods  
To value out that God.

One sees that in nature  
Keeps that in nature  
finds that from nature  
Of humans and from nature.

The other searches and preaches  
Code them in rituals, mantras of  
Gita, Bible and Quran  
Grabs that as his very own.

Travels far and wide  
Save more to add more  
For his human pride and for  
Converts human way of life.

As time passes by,  
Clerics keep racing  
Blessing those souls  
To wear that Crown  
Designed for, by his God  
With kings by their sides  
To tax the non-followers.

Time moves, faith moves  
Free to elect your kings  
A Constitution is born  
To Secure those faiths,  
And for those not in the faiths  
Of natural justice,  
A law for a nation.

Humans are of graded purity  
Clergies differ as islands of faiths  
Stiffer they remain to create  
One nation of diverse justice  
For the same passion  
For the same crime..

Cleric, Brahman by birth  
Anointed supreme as a judge  
To read wishes of their God  
He recites from the past  
Future Gods reside there  
For Human and my Racial pride..

Kings of your gods,  
Claiming they (clerics) sermon  
Natural to be different in justice  
As they are breeds apart who  
Differ in their Gods .....

## **Guns for Hire**

Mean machines yield them high  
Profits are more and labors shy  
Trade is more, unions not in pie  
Profits compete and their demand die..

Guns for Hire are found for price  
Glory inscribed, they ride to pride  
Hire them, they trim them short  
Mercenaries CVs story them bold..

Guns for Hire I need them now  
Cut my cost to boost sales now  
Guns for Hire is Guns for fire  
My love is fair, your share is fair.....

## **Quit it Boy!**

Shading the Darkness

New World Dances

Tunnel You Make

Inhale To See Light Inside

Few Friends Took to Flight

A Manly Ride, Manly Sight...

Labelled as Charity of Brothers

Grassed it, Spirited Solace

Away From Human Fence

Timed their Souls to Graze

Housed There Homeless Sense

Smoking Spirit, Chewing Flakes

Struggled to Quit Drag More Sniffs

Friends Took To Turn

Left and Some Continue the Run

Invitees Join Marathon Fun !

Soul is Trounced , Body Bemoans

No One Hears, When Your

Lungs Run and Burn, Only for Fun...

Master the Slave, Salvation in Sight  
Hollow Space, Your Kingdoms Sound,  
Can Time it to Call it a Quit  
That's what You Thought, But  
Manly Habit Caved Man Inside  
Tunnel You Build Has Grave Inside  
Charity of Brothers Rest Inside...

**Dr. Prashanta Chandra Panda** (PhD) is Head: Department of Social Science at SLS, PDPU, Gandhinagar, Gujarat.

Dr. Panda has served as Assistant Director (Planning) for six and half years at Orissa Primary Education Programme Authority in the School and Mass Education Department under Government of Odisha.
